NOTICE

Dear Parents,

The Covid-19 pandemic has brought about large scale disruptions in almost all aspects of our personal & professional life. Taking cognizance of the representations made by multiple quarters, compassionate and humanitarian considerations as well as honouring the directions dtd. 13th October, 2020 of the Hon'ble Calcutta High Court, the management of school, in order to alleviate the hardship faced by our students and parents, whose well being is of paramount importance, has decided to reduce a substantial portion of fees payable for the academic year 2020-21 as per the chart annexed herewith. Kindly note the following:

- There shall be a 20% reduction towards tuition fees for every student for the period from April, 2020 to the month following which the school shall resume physical classes.
- There shall also be a 20% reduction towards annual session fees for the corresponding period in the financial year of 2020-2021
- Parents/guardians are requested to pay 80% of the fees for the period from April 2020 to November 2020 as mentioned in our revised monthly and annual fees structure which is same as was applicable in the previous session 2019-20, as attached.
- Kindly note that you are required to pay the above period reduced fees by 30th November, 2020 as directed by the Hon'ble Calcutta High Court.
- The parents or guardians who are financially stable can choose not to avail the 20% reduction to assist the school in maintaining its financial balance. The parents / guardians who choose to waive the 20% reduction may please intimate the institution regarding the same through a written communication either in hardcopy or through email contact@hmeducationcentre.in. The small gesture on your part will help reduce our burden and our concern for the coming months ahead.
- All kind of waiver/concession already provided by the school for the financial year 2020-21 of to parents till date under any category whatsoever will be included within the 20% reduction and adjusted against the same.
- Fees for Smart Classes, Computer, Activity and lab being treated as facilities in physical mode hence not charged.

- Parents/Guardians who have paid 100% fees for the period up to November 2020, but wish to avail 80% of the fees may be allowed to adjust the differential fees against their dues of subsequent months.
- In the event of 80% tuition fees for the period up to 30th November 2020 along with the 80% annual session fees are not paid on behalf of the students by 30th November, 2020, the concerned student will not be entitled to attend school in any mode with effect from 8th December, 2020 and will be denied all facilities being offered by the school. Although this harsh measure is one that we do not want to resort to at all.
- The Above information is being furnished without prejudice to the right of the school since the matter is under subjudice of Supreme Court, the concession of fees is operative till the final verdict of Supreme Court.

With best wishes
